Superintendent Mosbrucker shared that he and Keller had been moving snow as it comes. Also they started the demolition of the FEMA buyouts. However they had to stop for an asbestos inspection. The inspector indicated that he didn't believe there was any asbestos, but the report is due on 1/12/16 and the guys will proceed based on the result.

Johnson moved and Quamme seconded the renewal of CD #1119 (\$143483.50) and CD #1120 (\$239030.13) as part of the Community Bank of Mott's 60 month step-up rate.

Sheriff Warner presented the police report for December. Only one investigation for GSI. The new deputy is going through field training for 6 weeks and that should complete the second week of February. Riedlinger moved and Quamme seconded the acceptance of the police report as presented.

The three FEMA buyout properties were closed on December 29<sup>th</sup> and demolition of the Admidin property has started. It was halted due to asbestos concerns. The results are due on 1/12/16.
